

STATE OF LOUISIANA

State Licensing Board for Contractors

Study Reference Sheet for:

7-50 Railroads

The examination for Railroads is a 50 question, multiple-choice, CLOSED BOOK examination covering all aspects of railroad track construction. The examination is based on practical knowledge of work performed in the field.

Following is a suggested reference for this exam. This reference may not contain all information needed to be competent in this field or to pass the exam, but should be useful to those studying to take the exam:

Practical Guide to Railway Engineering, Second Edition;
American Railway Engineering & Maintenance of Way
Association; Landover, MD; 2003.
